Cross Country Report – (Steve McLennan)

On Wednesday 4th May there was a subcommittee cross country meeting to discuss the aggregate. At this meeting there was a motion moved by Alison Fidler to scrap the alternative aggregate and award those senior athletes that run the shorter distance offered invitation points in the aggregate, which is 1 point less than the last athlete in the longer distance event. Seconded by Jeff Ellett. Passed by all.

It was also discussed that the scoring system was to remain the same, with the exception of those competing in Melbourne to score 40 points for a relays and individual races. Ballarat relay races all available athletes score 50 points.

Marc Schnyder has also volunteered to look at an alternative point scoring system for the future.

Phil will move that as the point scoring above be adopted for the 2017 Cross country season and then reviewed for 2018. Seconded by Tyler Davis. Carried
